

## Tumeric Oral Care Lozenges

Food supplement with tetrahydrocurcuminoids, vitamins, zinc and sweeteners  
vegan

**Useful information:** Our turmeric oral care lozenges are a refreshing form of oral care that combines active ingredients from turmeric, selected vitamins and zinc.

In our lozenges you will find riboflavin, better known as vitamin B2, which helps to maintain mucous membranes, and vitamin C, which contributes to normal collagen formation for normal gum function. In addition, turmeric and the revitalising mint flavour promote noticeably fresh breath. Experience a convenient way to support your oral hygiene.

**Ingredients:** Sweeteners Xylitol, Sorbitol; Tetrahydrocurcuminoids (24%), Vitamin C, Magnesium Stearate (separating agent), Silicon Dioxide; Zinc Citrate, Mint Oil, Menthol, Vitamin B2.

	per lozenge	per daily dose (=4 lozenges)	% of NRV recommended daily dose*
Tetrahydrocurcuminoids	33 mg	132 mg	**
Vitamin C	5 mg	20 mg	25
Vitamin B2	0.1 mg	0.4 mg	33
Zinc	0.8 mg	3.2 mg	29

\*NRV = Nutrient Reference Value for daily consumption according to Regulation (EU) No. 1169/2011

\*\* no reference value available yet

**Recommended use:** Adults let up to 4 lozenges slowly melt in the mouth every day.

Can have a laxative effect when used excessively.

You should refrain from taking other food supplements containing curcuminoids on the same day.

Not suitable for pregnant and breastfeeding women.

Keep dry and out of direct sunlight. Store below 25°C. Nutritional supplements should not be used as a replacement for a balanced, varied diet, and do not replace a healthy lifestyle. Keep out of reach of young children. Do not exceed the recommended daily dose.

Made in Germany

**Contains 180 lozenges = 97 g**
