

## Organic Aronia Berry Juice

Fruit Juice content 100 %  
made of aronia berry juice concentrate

### Good to know:

The violet-black aronia berry (*Aronia melanocarpa*), also known as apple berries or black mountain ash, belongs to the rose family and originally comes from North America. The exceptional fruits impress with their fruity-bitter taste and their high content in secondary plant compounds, especially anthocyanins and polyphenols. Organic Aronia Berry Juice therefore makes a refreshing contribution to a well-balanced diet.

Once opened, store in a refrigerator and use within 3 weeks.
