

Lavender Pillow

Soothing, relaxing, snug

GOTS certified organic cotton pillow filled with a mixture of lavender and spelt husk. This elegant blend from organic cultivation guarantees a long-lasting fragrance experience of a special kind.

Use: The fragrance can be activated again and again by simply kneading the cushions - this guarantees years of fragrance. The pillows with fragrant lavender provide pleasant, natural fragrance everywhere in the car, home, cupboard and much more. We keep production as pure as the raw materials used - carried out exclusively in Austria according to socio-economic aspects.

Sustainable

This pillow cover was woven from pure GOTS-certified organic cotton. The filling of lavender and spelt husk comes from organic cultivation.

Handmade

This high quality lavender pillow was carefully handcrafted in Austria.

Social

Manufacturing is undertaken exclusively by people with disabilities in eco-social facilities in Austria

Fair

From the procurement of raw materials to the choice of packaging materials, attention is paid to fair framework conditions throughout the entire production process.
