

Organic Herbal Hair Lotion

Suitable for all hair types

With active ingredients from stinging nettles, birch, horsetail, yarrow, chestnut, nasturtium, arnica, rosemary, chamomile, sage and watercress, as well as skin-nurturing vitamins, panthenol and zinc. Promotes circulation in the scalp, and combats dandruff and hair loss.

Panthenol makes your hair soft and smooth and glossy, gives it elasticity and protects it from drying out and brittleness.

Massage the organic herbal hair lotion well into the scalp.

Keep the bottle out of the reach of children. Only for external use and avoid contact with eyes.

Do not use if you are allergic to composite plants.
