

tierlieb

Brewer's Yeast Powder

Feed for horses, dogs, cats and small animals

Useful information: Pure, natural brewer's yeast for the supplementary provision of proteins, trace elements and vitamins. For the maintenance of strong hooves and claws, a shiny coat and healthy skin. Tierlieb Brewer's Yeast Powder supports the energy metabolism and the function of the nervous system. Components of the yeast cell wall contribute to normal, healthy digestion. The ideal supplement to daily feeding.

- A natural source of vitamins and trace elements
- Rich in protein
- Tasty and nourishing
- Popular as a raw feeding supplement
- No additives
