

tierlieb Omega-3-Algae Oil Drops

Feed for dogs and cats
vegan

Useful information:

Contains pure vegetable omega-3 oil from the microalgae Schizochytrium. Omega-3 fatty acids such as essential DHA (docosahexaenoic acid) contribute to the healthy function of many organs such as the heart and brain, as well as to normal development. Enriched with vitamin E.

- Rich in omega-3 fatty acids (> 50%)
- Easy to dose with a pipette
- The sustainable source of EPA/DHA
- Suitable for allergy sufferers

Feed recommendation per day:

Shake well before use and mix into the feed.

Dogs: 5 g drops per 10 kg body weight

Cats: 1-2 drops

Start with a smaller quantity to achieve good acceptance and slowly increase.

Analytical contents: crude fat 98 %, crude fibre 1%, vitamin E 0.7 %.

Additives:

Technological additives: antioxidants

Keep dry and out of direct sunlight. Store below 25°C.
