

Strong Hair Growth Elixir

Useful information:

Strong Hair Growth Elixir – for strong and healthy hair!

Our exclusive formula combines aloe vera, caffeine, zinc PCA, panthenol, and the unique Redensyl™ to combat hair loss and promote hair growth. Redensyl™ is our key active ingredient that stimulates the anagen phase, thereby visibly improving hair density. Regular use increases the elasticity and thickness of the hair, noticeably stopping hair loss and improving hair quality. Added melissa oil gives your hair a pleasant and refreshing fragrance. A convenient addition to your daily care routine that additionally promotes hair growth.

Application: We recommend a daily application of 3.5 ml (4-5 pipettes) in dry hair or after shampooing. Use the pipette to apply the Hair Power Growth Elixir directly to the scalp and massage in gently. Do not rinse out.
