

Strong Hair Anti-Grey Serum

Useful information:

Strong Hair Anti-Grey Serum - for naturally beautiful hair, with a long-lasting anti-grey effect!

Our specially-developed serum uniquely combines high-quality ingredients such as aloe vera, caffeine and MelanoGray™, nourishing the hair and restoring its natural colour. MelanoGray™ is an active ingredient against grey hair, which is sustainably sourced from the upcycled peel paste of special organic chios mandarins. The pleasant orange oil aroma gives the product its fresh scent, ensuring a positive application experience. A convenient addition to your daily care routine that also supports preserving your natural hair colour.

Application: We recommend using 4 ml (approx. 5.5 pipettes) daily, in the morning or evening, applied in dry hair or after shampooing. Use the pipette to apply the Strong Hair Anti-Grey Serum directly to the scalp. Do not rinse out.
