

Eskimo Cleansing Lotion

For the mild cleansing of sensitive, dry skin
pH-neutral 5.5
5 % urea

For gentle, extra-mild cleansing of the face and body. Ideal for sensitive, stressed, dry skin. Also used in support of medical treatment, for example in case of neurodermatitis and psoriasis. 5% urea and betaine moisturise and protect the skin from drying out further, even in case of daily use. A special care formula containing the trace element zinc reduces sebum and inhibits the distribution of bacteria. With its pH value of 5.5, it stabilises the natural protective acid mantle of the skin. No added fragrances or colours.

Ingredients: Aqua, Coco-Glucoside, Sodium Chloride, Urea, Betaine, Sodium Cocoyl Glutamate, Glycerin, Sorbitan Sesquicaprylate, Zinc PCA, Glyceryl Oleate, Citric Acid, Propylene Glycol, Benzyl Alcohol, Potassium Sorbate, Hydrogenated Vegetable Glycerides Citrate, Ascorbyl Palmitate, Lecithin, Tocopherol.
